- You can explore Oxford on your own, or with friends and classmates.

**NOTE:** All under-18 students are strongly advised to attend a full time programme (15hrs of morning lessons + afternoon lessons/activities). Any under-18 student choosing not to attend afternoon activities/lessons must have written permission from their parents or guardians because CIE offer no alternative arrangements in the afternoon. If the student is staying with family or friends while in Oxford, a tuition-only option is available that doesn't include accommodation or activities.

# OUR CENTRE

In the summer you will have the opportunity to study at Oxford University's Lady Margaret Hall (LMH). It is well known for its beautiful gardens and has facilities such as tennis courts and football pitches for you to use.

# ACCOMMODATION

During your studies at CIE, we will arrange for you to stay with an English family, having breakfast and the evening meal with them. During mealtimes, you can chat with your host family about your day and life in England. Our students often keep in touch with their host families long after the summer is over.
