NOTE: All under-18 students are strongly advised to attend a full-time programme (15hrs of lessons + activities). Any under-18 student choosing not to attend a full programme must have written permission from their parents or guardians because CIE offer no alternative arrangements in the morning or afternoon. If the student is staying with family or friends while in Oxford, a tuition-only option is available that does not include accommodation or activities.

Accommodation

If you would like us to arrange accommodation for you then we have carefully selected host families who are experienced at looking after young students. You will have breakfast and the evening meal with the family. During mealtimes you can chat with your host family about your day and life in England. Our students often keep in touch with their host families long after the summer is over.
