A warm welcome *from our Principals*

All of our staff at CIE are looking forward to greeting you in summer 2024, and we shall do our best to provide you with an unforgettable experience.

Oxford is, in our opinion, one of the most beautiful cities in the world. Matthew Arnold wrote that Oxford “whispers from her towers the last enchantments of the Middle Ages”. You will notice the beautiful combination of Gothic, Renaissance and Baroque architecture together with some splendid stained glass windows and some fine paintings housed in the Ashmolean museum. Situated between the Rivers Cherwell and the Thames, Oxford is also a place of considerable natural beauty, and offers many fascinating walks and experiences. It was at Christ Church that Lewis Carroll wrote the story of Alice in Wonderland, basing it on Alice, the daughter of the Dean of Christ Church, and other Oxford people and places. CS Lewis, the author of Narnia novels, and JRR Tolkien, the author of the Hobbit and the Lord of the Rings, were both teachers at the university.

We hope you will feel something of the “magic” of Oxford so that you have an enriching experience and take away with you many happy memories, new friends and a determination to visit this beautiful city again.

Yours faithfully,
John and Irma

Where our students come from

“The aim of CIE is to enhance the academic and social potential of students, while promoting their understanding and appreciation of the diversity of various cultural traditions. The school provides courses that widen students’ social, professional and educational opportunities.”

Our students come together from all over the world and celebrate the richness of our differences, where traditions, languages, and perspectives intermingle, creating an educational experience like no other. Together, we learn not only from textbooks but from one another, fostering a deep understanding of the world and a profound appreciation for the beauty of cultural diversity.

Enzo, Italy

"She came home very happy because she met many kind people, visited beautiful places and she made a lot of friends. In a word, she lived a beautiful experience and she loved so much all she was doing there."
