

Career advice and guidance for international students

Every year a number of CIE students show interest in continuing their studies in the UK, either in Boarding schools or British Universities.

To support the students with their plans for further studies and life in the UK, CIE offers:

- Study Skills as part of General English Course
- Exam preparation (IELTS/ FCE/ CAE) as part of Intensive English Course or on its own
- 1-1 General English, Exam preparation or Subject specific classes
- 1-1 academic tutorials to discuss progress, identify areas to improve and set SMART targets
- 1-1 welfare tutorials to discuss any worries the students might have while staying at CIE and in the UK
- Culture specific topics as part of Intensive English Course
- All school projects on topics related to core British values
- Conversation cafes to raise students awareness of multicultural nature of CIE and the UK
- Pre-arrival information with guide to life in the UK
- Induction and welcome pack materials including information about life in the UK

The courses we offer on demand are:

- Pre-Boarding course, which includes General and Academic English + Subject specific classes.
- Business Foundation course

Our dedicated staff offer 1-1 pastoral support

- guiding the students through their course and university options
- contacting universities on student's behalf
- teaching how to write a Personal Statement
- assisting with booking an IELTS exam
- assisting with application forms
- supporting with references.
